**Bangkok, Thailand (28 November 2024):** Tetra Pak, a world leader in food processing and packaging solutions, and Sunsweet Public Co., Ltd., a leading provider of sweet corn and other agricultural products, proudly announce the signing of a sales contract agreement at Sunsweet Public Co.,Ltd. Toongsatok Sanpatong Chiang Mai, Thailand, which involves the use of Tetra Recart packaging for Sunsweet's sweet corn products.

The signing ceremony was attended by key executives from both companies, including **Dr. Ongart Kittikhunchai, CEO**, and **Ms. Morakot Kittikhunchai, Executive Director**, from Sunsweet Public Co., Ltd, along with, **Ms. Ratanasiri Tilokskulchai, Managing Director**, and **Ms. Rujirek Rungrawd, Finance Director**, from Tetra Pak (Thailand) Limited.

The partnership marks a significant milestone not only in both companies' pursuit of developing innovations that cater to consumer needs but also in their shared commitment to innovation and sustainability. Leveraging Tetra Pak's state-of-the-art technology, Tetra Recart packaging enhances the competitive advantage of local food producers in the global market while minimizing their environmental impact. Tetra Recart is an innovative paper-based packaging solution for retort food production, designed to preserve the taste, freshness, and nutritional value of the food inside. Made primarily from renewable materials, it is recyclable and helps reduce waste generated during the production process.

Starting Q4 2025, Sunsweet's sweet corn products packed using Tetra Recart will be released in Europe, America, Japan, and other markets.
